PROFESSIONAL SUMMARY

I am Mr. D - the 'D' stands for everything good and visionary. It could be Discipline, Determination (my favorite), or Direction. Where sleeping entrepreneurs think there can't be life in their brand or business anymore, I bring life. I'm passionate about helping people, transforming visions into brands, and making money as well (obviously). As a resourceful Web Developer, Brand Creator, Forex Trainer, and Technical Analyst, I offer a unique blend of technical expertise and market-savvy strategy.

CORE COMPETENCIES

- Forex Technical Market Analysis

- Forex Training & Mentorship

- Brand Creation & Strategy

- Web Development (HTML, CSS, JS, Firebase)

- Strategic Thinking & Execution

- Clear & Persuasive Communication

PROJECT HIGHLIGHT

Urban Nest Booking Shortings

A luxury apartment booking platform built for effortless short stays and shoot locations.

- Role: Full-Stack Developer & Brand Strategist

- Tech Stack: HTML, CSS, JavaScript (Vanilla), Firebase

- Key Value: Simplifies access to premium apartments without stress or hassle.

- Link: Coming Soon

EXPERIENCE

Freelance Web Developer & Brand Consultant (Remote | 2022 - Present)

- Built responsive websites and landing pages tailored to clients' brands.

- Guided startups in transforming ideas into full visual brand identities.

Nkanga, Saviour Uwem (Mr. D)

Email: saviournkanga@gmail.com | Phone: +2347026893687
